Dear Haris,

Thank you for your volunteer service in support of ISACA during the 2014-2015 administrative term. The organization's success over the past year could not have been accomplished without the effort of the many volunteers such as you, who supported the organization with their time and expertise. Your personal contributions in the following areas are greatly appreciated and valued.

Research Publication Translation Support

We hope you will consider sharing a copy of this letter with your immediate supervisor and employer to demonstrate your contributions and our appreciation for them. In addition, ISACA volunteers qualify for continuing professional education (CPE) credits for those who are CISA-, CISM-, CGEIT- and/or CRISC-certified. Details may be found in the CPE policy available on the ISACA web site.

Thank you again for your volunteer support of ISACA. Your contributions have helped ISACA move closer to its goal of enabling users of information systems to find value and trust in those systems.

Sincerely,

Robert E Stroud, CGEIT, CRISC
